The Honorable Board of Supervisors County of Los Angeles 383 Kenneth Hahn Hall of Administration Los Angeles, California 90012

Dear Supervisors:

AGREEMENT WITH EIMAGO, INC. FOR JAIL IN-REACH SERVICES FOR HOMELESS INMATES (ALL DISTRICTS) (3 VOTES)

IT IS RECOMMENDED THAT YOUR BOARD:

- 1. Approve and instruct the Chair of the Board of Supervisors to sign the attached agreement with EIMAGO, Inc. (EIMAGO) for jail in-reach services for homeless inmates incarcerated within the Los Angeles County Sheriff's Department (Department) jails. The agreement term is for two (2) years with the option to extend for up to two (2) twelve-month periods, and thereafter for a maximum of six (6) month-to-month periods, with a contract sum of \$1.5 million.
- 2. Authorize the Sheriff or his designee to exercise the above optional extension provisions, if it is in the best interest of the County.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended actions is to establish an agreement with EIMAGO to provide jail in-reach services, which start inside the jail and continue after release, for homeless inmates in the Los Angeles County Jail system. The goal of the project is to develop an effective, evidence-based program to reduce and prevent homelessness following principles proven to be effective by a large number of controlled studies. The services provided by this project will serve as a pilot to demonstrate the effectiveness of helping incarcerated homeless people with comprehensive case management services.

The Honorable Board of Supervisors April 8, 2008 Page 2

Implementation of Strategic Plan Goals

The services provided under this agreement support the County's Strategic Plan Goals. Specifically, Goal 1, Service Excellence, by following best practices in reducing recidivism; Goal 2, Workforce Excellence, by training staff in evidence-based practice; Goal 3, Organizational Effectiveness, by strengthening collaboration between multiple agencies; Goal 4, Fiscal Responsibility, by spending tax dollars more effectively; and Goal 5, Children and Families' Well Being, by helping homeless women with children.

FISCAL IMPACT/FINANCING

The total expenditure for this project shall not exceed \$1.5 million. This one-time money was allocated by the Board of Supervisors as part of its Homeless Prevention Initiative (HPI). Funding for this agreement has been identified in the Department's Fiscal Year 2007-08 operating budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Los Angeles County jail system receives a large majority of homeless persons, at great taxpayer expense, due to incarceration for minor crimes. It is the goal of the Department to improve discharge planning for homeless inmates, to reduce homelessness and recidivism, and to prevent, as much as possible, homeless inmates from taking up residence on the streets of Skid Row in downtown Los Angeles, after being released from the County jail.

As part of its HPI, your Board gave the Department \$1.5 million to provide jail in-reach services to homeless inmates. The Department will work closely with the Chief Executive Office (CEO) to monitor the progress of the project and to ensure quality outcome measurements.

The contract is in compliance with all Board, CEO, and County Counsel requirements. The agreement has been approved as to form by County Counsel.

CONTRACTING PROCESS

The Department released a Request for Proposal (RFP) on August 29, 2007, on both the County and the Department's web-sites, seeking a contractor to provide jail in-reach services. Two organizations responded to the RFP and their responses were evaluated. It was determined that EIMAGO obtained the highest score, had met all minimum requirements set forth in the RFP, and possessed the required qualifications and experience for the work. The Department then proceeded with negotiations for an agreement with the Contractor.

The Honorable Board of Supervisors April 8, 2008 Page 3

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The jail in-reach services provided in this agreement, in collaboration with similar supportive services from the Department of Public Social Services, Department of Children and Family Services, Department of Health Services, Probation Department, and other non-profit organizations, will expedite the achievement of the goal to reduce homelessness within the County.

CONCLUSION

Upon approval by your Board, please return an adopted copy of this action and three (3) originally executed copies of this agreement to the Department's Contracts Unit for further processing.

Sincerely,

LEROY D. BACA

Me Baca

- 11.3 The action noted in Subparagraph 11.2 shall not be construed as a penalty, but as an adjustment of payment to Contractor to recover the County cost due to the failure of Contractor to complete or comply with the provisions of this Agreement.
- 11.4 This Subparagraph shall not, in any manner, restrict or limit the County's right to damages for any breach of this Agreement provided by law or as specified in the PRS or Subparagraph 11.2, and shall not, in any manner, restrict or limit the County's right to terminate the Agreement as agreed to herein.

ADDITIONAL TERMS AND CONDITIONS

The following additional terms and conditions are applicable to, and form a part of, the Agreement. Capitalized terms not otherwise defined in this Exhibit A (Additional Terms and Conditions) as used in this Exhibit A (Additional Terms and Conditions), this "Exhibit" have the meanings given to such terms in the base document of the Agreement.

1.0 **SUBCONTRACTING**

1.1 General

County has relied, in entering into the Agreement, on the reputation of and on obtaining the personal performance of Contractor itself. Consequently, no performance of the Agreement, or any portion thereof, shall be subcontracted by Contractor except in accordance with the procedures set forth in this Paragraph 1.0 (Subcontracting). Any attempt by Contractor to subcontract any performance, obligation, or responsibility under the Agreement, except in accordance with the procedures set forth in this Paragraph 1.0 (Subcontracting), shall be null and void and shall constitute a material breach of the Agreement, upon which County may immediately terminate the Agreement.

1.2 Procedure for Subcontracting

If Contractor desires to subcontract any portion of its performance, obligations, or responsibilities under the Agreement to any subcontractor, Contractor shall adhere to the following procedures.

- 1.2.1 Contractor shall notify the County Project Director of its desire to subcontract a portion of the Work, which notice shall include the reason for the proposed subcontract, and a description of the Work to be performed under the proposed subcontract.
- 1.2.2 The identity of such subcontractor and why such subcontractor was selected.
- 1.2.3 A certificate of insurance from the proposed subcontractor which establishes that the subcontractor maintains all the programs of insurance required by the Agreement.
- 1.2.4 If the proposed Work is to be performed by a subcontractor, then in addition to the foregoing, Contractor shall provide:

- i. A draft copy of the proposed subcontract. The material provisions of any approved subcontract between Contractor and a third party may be changed or amended, as applicable, only with the prior written approval of the County Project Director, which approval shall not be unreasonably withheld; and
- ii. Any other information and/or certifications reasonably requested by County.

The County Project Director will review Contractor's request to subcontract and determine, in his discretion, whether or not to consent to such request on an individual basis. Without limiting in any way County's prior approval rights, Contractor shall deliver to the County Project Director a fully executed copy of each subcontract entered into by Contractor pursuant to this Subparagraph 1.2.4, on or immediately after the effective date of the subcontract but in no event later than the date any Work is performed under the subcontract.

1.2.5 Contractor shall obtain an executed subcontractor Employee Acknowledgment and Confidentiality (see Exhibit E1 (Contractor's Employee Acknowledgement and Confidentiality Contract)) for each of subcontractor's employees performing Work under the subcontract. Such Contracts shall be delivered to the County Project Director on or immediately after the effective date of the particular subcontract but in no event later than the date any such employee commences performing Work under the subcontract.

1.3 <u>Contractor Responsibilities</u>.

- 1.3.1 Notwithstanding any County consent to **any** subcontracting, Contractor shall remain responsible for any and all performance required of it under the Agreement, including the obligation properly to supervise, coordinate, and perform, all Work required hereunder, and no subcontract shall bind or purport to bind County. Further, County approval of any subcontract shall not be **co**nstrued to limit in any way Contractor's performance, obligations, or responsibilities, to County.
- 1.3.2 In the event that County consents to any subcontracting, such consent shall be subject to County's right to reject any and all subcontractor personnel providing services under such subcontract.
- 1.3.3 In the event that County consents to any subcontracting, Contractor shall cause the subcontractor, on behalf of itself, its successors and administrators, to assume and be bound by and shall be deemed to have assumed and agreed to be bound by each and all of the provisions

of the Agreement and any amendment hereto as it relates to or affects the Work performed by subcontractor hereunder.

1.3.4 Contractor shall be solely liable and responsible for any and all payments and other compensation to all subcontractors and their officers, employees, and agents. County shall have no liability or responsibility whatsoever for any payment or other compensation for any subcontractors or their officers, employees, and agents.

2.0 DISPUTE RESOLUTION PROCEDURE

2.1 General

Contractor and County agree to act immediately to resolve mutually any disputes that may arise with respect to the Agreement. All such disputes shall be subject to the provisions of this Paragraph 2.0 (Dispute Resolution Procedure) (such provisions are collectively referred to as the "Dispute Resolution Procedures"). Time is of the essence in the resolution of disputes.

2.2 Continued Work

Contractor and County agree that, the existence and details of a dispute notwithstanding, both parties shall continue without delay their performance hereunder, except for any performance, other than payment by County for approved Work, which the parties mutually determine should be delayed as a result of such dispute.

- 2.2.1 If Contractor fails to continue without delay its performance hereunder that County, in its discretion, determines should not be delayed as a result of such dispute, then any additional costs which may be incurred by Contractor or County as a result of Contractor's failure to continue to so perform shall be borne by Contractor, and Contractor shall make no claim whatsoever against County for such costs. Contractor shall promptly reimburse County for such County costs, as determined by the County, or County may deduct or offset all such additional costs from any amounts due to Contractor from County.
- 2.2.2 If County fails to continue without delay to perform its responsibilities under the Agreement which County, in its discretion, determines should not be delayed as a result of such dispute, then any additional costs incurred by Contractor or County as a result of County's failure to continue to so perform shall be borne by County, and County shall make no claim whatsoever against Contractor for such costs. County shall promptly reimburse Contractor for all such additional Contractor costs subject to the approval of such costs by County.

2.3 Dispute Resolution Procedures

In the event of any dispute between the parties with respect to the Agreement, Contractor and County shall submit the matter as follows:

- 2.3.1 Contractor and County shall first submit the matter to their respective Project Managers for the purpose of endeavoring to resolve such dispute.
- 2.3.2 If the Project Managers are unable to resolve the dispute within a reasonable time, not to exceed five (5) Business Days from the date of submission of the dispute, then the matter immediately shall be submitted to the parties' respective Project Directors for further consideration and discussion to attempt to resolve the dispute.
- 2.3.3 If the Project Directors are unable to resolve the dispute within a reasonable time not to exceed five (5) Business Days from the date of submission of the dispute, then the matter shall be immediately submitted to Contractor's president or chief operating officer and the Sheriff of the County of Los Angeles. These persons shall have five (5) Business Days to attempt to resolve the dispute.
- 2.3.4 In the event that at these levels, there is not a resolution of the dispute acceptable to both parties, then each party may assert its other rights and remedies provided under the Agreement and its rights and remedies as provided by law.

2.4 <u>Documentation of Dispute Resolution Procedures</u>

All disputes utilizing the Dispute Resolution Procedure shall be documented in writing by each party and shall state the specifics of each alleged dispute and all actions taken. The parties shall act in good faith to resolve all disputes. At all three (3) levels described in Subparagraph 2.3 (Dispute Resolution Procedure), the efforts to resolve a dispute shall be undertaken by conference between the parties' respective representatives, either orally, by face-to-face meeting or by telephone, or in writing by exchange of correspondence.

2.5 Not Applicable to County's Right to Terminate

Notwithstanding any other provision of the Agreement, County's right to terminate the Agreement pursuant to Paragraph 4.0 (Termination for Insolvency), Paragraph 5.0 (Termination for Default), Paragraph 6.0 (Termination for Convenience), or Paragraph 7.0 (Termination for Improper Consideration), in each case, of this Exhibit, or any other termination provision hereunder, shall not be subject to the Dispute Resolution Procedure. The preceding sentence is intended only as a clarification of County's rights, and shall not be deemed to

impair any claims that Contractor may have against County or Contractor's rights to assert such claims after any such termination or such injunctive relief has been obtained.

3.0 CONFIDENTIALITY

3.1 General

Contractor shall maintain the confidentiality of all records and information, events or circumstances which occur during the course of Contractor's performance under the Agreement, in accordance with all applicable Federal, State, and local laws, regulations, ordinances, guidelines, and directives relating to confidentiality. Contractor shall inform all of its directors, officers, shareholders, employees, and agents providing services hereunder of the confidentiality provisions of the Agreement. Contractor shall provide to County an executed Contractor's Employee Acknowledgment and Confidentiality Contract (Exhibit E1 to the Agreement) for each of its employees performing Work under the Agreement. Notwithstanding anything herein to the contrary, Contractor acknowledges and agrees that it is responsible for any breach of the obligations of confidentiality set forth herein by any person or entity to whom Contractor discloses such confidential information.

3.2 Disclosure of Information.

- 3.2.1 With respect to any confidential information obtained by Contractor pursuant to the Agreement, Contractor shall: (a) not use any such records or information for any purpose whatsoever other than carrying out the express terms of the Agreement; (b) promptly transmit to County all requests for disclosure of any such records or information; (c) not disclose, except as otherwise specifically permitted by the Agreement, any such records or information to any person or organization other than County without County's prior written authorization that the records are, or information is, releasable; and (d) at the expiration or termination of the Agreement, return all such records and information to County or maintain such records and information according to the written procedures sent to Contractor by County for this purpose.
- 3.2.2 Without limiting the generality of Subparagraph 3.2.1 of this Exhibit, in the event Contractor receives any court or administrative agency order, service of process, or request by any person or entity (other than Contractor's professionals) for disclosure of any such details, Contractor shall immediately notify the County Project Director. Thereafter, Contractor shall comply with such order, process, or request only to the extent required by applicable law. Notwithstanding the preceding sentence, to the extent permitted by law, Contractor shall delay such compliance and cooperate with County to obtain relief from such

obligations to disclose until County shall have been given a reasonable opportunity to obtain such relief.

3.3 Contractor Information

Any and all confidential or proprietary information which is developed or was originally acquired by Contractor outside the scope of this Agreement, which Contractor desires to use hereunder, and which Contractor considers to be proprietary or confidential, must be specifically identified by Contractor to the County Project Director as proprietary or confidential, and shall be plainly and prominently marked by Contractor as "proprietary" or "confidential." County shall undertake reasonably to maintain the confidentiality of materials marked by Contractor as "proprietary" or "confidential." Notwithstanding any other provision of this Agreement, County shall not be obligated in any way under this Agreement for:

- 3.3.2 Any disclosure of any materials which County is required to make under the California Public Records Act or otherwise by law; and
- 3.3.3 Any materials indicating the volume, frequency and type of goods and services provided by Contractor, including, but not limited to use under Paragraph 25.0 (Resolicitation of Bids, Proposals, or Information).

3.4 Use of County Name

In recognizing Contractor's need to identify its services and related clients to sustain itself, County shall not inhibit Contractor from publishing its role under the Agreement within the following conditions:

- 3.4.1 Contractor shall develop all publicity material in a professional manner.
- 3.4.2 During the Term, Contractor shall not publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of County without the prior written consent of the County Project Director, which shall not be unreasonably withheld or delayed.
- 3.4.3 Contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded the Agreement with County, provided that the requirements of this Subparagraph 3.4 (Use of County Name) (other than the requirements set forth in Subparagraph 3.4.2) shall apply.

3.4.4 Notwithstanding anything herein to the contrary, County reserves the right to object to any use of County's name and Contractor shall cure promptly and prospectively any use of County's name that has been objected to by County.

3.5 <u>Injunctive Relief</u>

Contractor acknowledges that a breach by Contractor of this Paragraph 3.0 (Confidentiality) may result in irreparable injury to County that may not be adequately compensated by monetary damages and that, in addition to County's other rights under the Agreement and at law and in equity, County shall have the right to injunctive relief to enforce the provisions of this Paragraph 3.0 (Confidentiality).

4.0 TERMINATION FOR INSOLVENCY

- 4.1 County may terminate the Agreement immediately at any time following the occurrence of any of the following:
 - 4.1.1 Contractor has ceased to pay or has admitted in writing its inability to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the United States Bankruptcy Code and whether or not Contractor is insolvent within the meaning of the United States Bankruptcy Code, provided that Contractor shall not be deemed insolvent if it has ceased in the normal course of business to pay debts that Contractor disputes in good faith;
 - 4.1.2 The filing of a voluntary or involuntary petition (which involuntary petition is not dismissed within sixty (60) days) regarding Contractor under the United States Bankruptcy Code;
 - 4.1.3 The appointment of a receiver or trustee for Contractor; or
 - 4.1.4 The execution by Contractor of a general assignment for the benefit of creditors other than in the course of arranging financial lines of credit.
- 4.2 The rights and remedies of County provided in this Paragraph 4.0 (Termination for Insolvency) shall not be exclusive and are in addition to any other rights and remedies provided at law or in equity, or under the Agreement.
- 4.3 Contractor agrees that if Contractor as a debtor-in-possession, or if a trustee in bankruptcy, rejects the Agreement, County may elect to retain its rights under the Agreement, as provided under Section 365(n) of the United States Bankruptcy Code (11 U.S.C. Section 365(n)). Upon written request by County to Contractor or the trustee in bankruptcy, as applicable, Contractor or such trustee shall allow

County to exercise all of its rights and benefits under the Agreement. The foregoing shall survive the termination or expiration of the Agreement for any reason whatsoever.

5.0 TERMINATION FOR DEFAULT

5.1 Event of Default

5.3 Completion of Work

Without limiting any of County's rights and remedies pursuant to the Agreement, upon the occurrence of any event giving rise to County's rights to terminate the Agreement, in whole or in part, pursuant to this Paragraph 5.0 (Termination for Default), County may, in lieu of such termination, (a) perform, or cause the performance of, any required correction, remedy and deficiency, replace any noncomplying Work, or take any other such action as may be reasonably required to promptly remedy such default, and (b) debit Contractor therefore at County's direct actual cost of outside labor and materials and County's burdened (including salary, employee benefits and reimbursement policies) rates for labor. Such debit shall be made against any amounts owed by County to Contractor

The date upon which such termination becomes effective shall be no less than thirty (30) days after notice.

6.2 No Prejudice; Sole Remedy

Nothing in this Paragraph 6.0 (Termination for Convenience) is deemed to prejudice any right of Contractor to make a claim against the County in accordance with this Agreement and applicable law and County procedures for payment for Work through the effective date of termination. Contractor, however, acknowledges that the rights and remedies set forth in this Subparagraph 6.2 shall be the only remedy available to Contractor in the event of a termination or suspension pursuant to this Paragraph 6.0 (Termination for Convenience) by County.

7.0 TERMINATION FOR IMPROPER CONSIDERATION

- 7.1 County may, upon notice to Contractor, immediately terminate the right of Contractor to proceed under the Agreement if it is found that consideration, in any form, was offered or given by Contractor, either directly or through an intermediary, to any County officer, employee or agent with the intent of securing the Agreement or securing favorable treatment with respect to the award, amendment or extension of the Agreement or the making of any determinations with respect to Contractor's performance pursuant to the Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.
- 7.2 Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to County Auditor-Controller's employee fraud hotline at (800) 544-6861.
- 7.3 Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

8.0 TERMINATION FOR GRATUITIES

County may, by notice to Contractor, terminate the right of Contractor to proceed under the Agreement upon one (1) calendar day's notice, if it is found that gratuities in the form of entertainment, gifts, or otherwise were offered or given by Contractor, or any agent or representative of Contractor, to any officer, employee, or agent of County with a view toward securing a contract or securing favorable treatment with respect to the awarding or amending, or the making of any determinations with respect to the performing, of such contract. Contractor shall also maintain accurate and complete employment and other records relating to its performance of the Agreement. Contractor agrees that County, or its authorized representatives, shall, with reasonable notice and during regular business hours, have access to and the right to examine, audit, excerpt, copy or transcribe any pertinent transaction, activity, or records of Contractor relating to the Agreement; provided that County's access to such employment records of Contractor shall be limited to access that does not constitute an unlawful invasion of the privacy rights of any such employee. Should the examination and audit be performed by a non-County entity or should a non-County entity be requested by County to review information received pursuant to an audit or examination under this Paragraph 42.0 (Records and Audits), Contractor may require the non-County examiner or auditor, as the case may be, to execute a nondisclosure contract prior to any disclosure. The nondisclosure Contract shall limit the non-County entity's use of information received or reviewed in connection with the examination and audit to work performed specifically for the benefit of County. All such material, including all financial records, time cards and other employment records, shall be kept and maintained by Contractor and shall be made available to County during the Term and for a period of five (5) years thereafter unless County's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then at Contractor's option, Contractor shall either (a) provide County with access to such material at a mutually agreed upon location inside Los Angeles County, or (b) pay County for travel, per diem, and other costs and expenses incurred by County to examine, audit, excerpt, copy or transcribe such material at such outside location.
- 42.2 If an audit is conducted of Contractor specifically regarding the Agreement by any Federal or State auditor, then Contractor shall file a copy of such audit report with County's Auditor Controller and the County Project Director within thirty (30) days of Contractor's receipt thereof, unless otherwise provided by applicable federal or state law or under the Agreement.

If, at any time during or after the Term, representatives of County conduct an 42.3 audit of Contractor, as and to the extent permitted hereunder, regarding the Work performed under the Agreement, the results of such audit, including any final determination in respect of an underpayment or overpayment, if any by County under the Agreement, shall be provided in writing to Contractor. Contractor shall have thirty (30) days to review the findings contained in such audit and notify County of any objection to the same. Such notice must include, in reasonable detail, the basis for Contractor's objection and any supporting documentation and analysis for Contractor's objection. If the parties cannot agree, within fifteen (15) days of receipt of Contractor's objection to the findings contained in County's audit, on the amount of underpayment or overpayment, if any, by County to Contractor hereunder, then either party may submit such matter to the Dispute Resolution Procedure, provided such matter shall be submitted initially, directly to the County Project Director and the Contractor Project Director. If Contractor fails to notify County of any objection it has to the findings of County's audit within the thirty (30) day period set forth above, Contractor waives any right to object to the findings of such audit, including any determination of overpayment by County. If such audit, whether initially following a waiver by Contractor of its right of objection or upon final determination pursuant to the Dispute Resolution Procedure, finds that County's dollar liability for any such Work is less than payments made by County to Contractor, then the difference, together with County's reasonable costs of audit, shall be either repaid by Contractor to County by cash payment upon demand or, at the discretion of the County Project Director, deducted from any amounts due to Contractor from County. If such audit finds that County's dollar liability for such Work is more than the payments made by County to Contractor, then the difference shall be paid to Contractor by County, but in no event shall County's payments to Contractor exceed the Maximum Contract Sum.

42.4 Public Records Act

Any documents submitted by Contractor, all information obtained in connection with the County's right to audit and inspect Contractor's documents, books, and accounting records, pursuant to this Paragraph 42.0 (Records and Audits); as well as those documents which were required to be submitted in response any County solicitation used for this Agreement, become the exclusive property of the County. All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in the California Government Code Section 6250 et seq. (Public Records Act) and which are marked "trade secret", "confidential", or "proprietary". The County shall not in any way be liable or responsible for the disclosure of any such records, including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

42.4.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a bid/proposal marked "trade secret", "confidential", or "proprietary", the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

Notwithstanding any other provision of the Agreement, Contractor and County do not in any way intend that any person or entity shall acquire any rights as a third party beneficiary of the Agreement, except that this Paragraph 44.0 (No Third Party Beneficiaries) shall not be construed to diminish Contractor's indemnification obligations hereunder.

45.0 MOST FAVORED PUBLIC ENTITY

If Contractor's prices decline, or should Contractor, at any time during the Term, provide the same goods and substantially similar services under similar quantity, delivery, and other applicable terms and conditions to the State of California or any county, municipality, public agency, or district within California at prices below those set forth in the Agreement, then such lower prices shall be extended immediately to County.

46.0 COUNTY'S QUALITY ASSURANCE PLAN

County or its agent will evaluate Contractor's performance under the Agreement on not less than an annual basis. Such evaluation will include assessing Contractor's compliance with the terms and performance standards of the Agreement. Contractor deficiencies which County determines are severe or continuing and that may place performance of the Agreement in jeopardy if not corrected will be reported to the Board. The report will include improvement and corrective action measures taken by County and Contractor. If, following due cure and notice periods for any specified material

breach, improvement does not occur consistent with the corrective action measures, County may terminate the Agreement or impose other penalties as specified in the Agreement.

47.0 CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST

Should Contractor require personnel in addition to those employed by Contractor on the Effective Date to perform the services set forth herein, Contractor shall give consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a reemployment list during the life of this Agreement. For this purpose, consideration shall mean that Contractor will interview qualified candidates. Prior to consideration being given by Contractor, County will refer such County employees by job category to Contractor. The above obligations do not apply to positions filled by: (a) third parties who have subcontracted with Contractor to perform the services, or (b) Contractor's current employees.

48.0 CONTRACTOR TO NOTIFY COUNTY WHEN IT HAS REACHED 75% OF MAXIMUM CONTRACT SUM (UNDER CONTRACT SUM PROVISION)

Upon occurrence of this event, Contractor shall send written notification to the County Project Director and the County Project Manager.

49.0 NO PAYMENT FOR SERVICES PROVIDED FOLLOWING EXPIRATION OR TERMINATION OF CONTRACT

Contractor shall have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor under the Agreement, after the expiration or other termination of this Agreement. Should Contractor receive any such payment it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration or termination of this Agreement shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Agreement.

50.0 SAFELY SURRENDERED BABY LAW

50.1 Notice to Employees

Contractor shall notify and provide to its employees residing in or working in the State of California, and shall require each subcontractor performing Work under this Agreement to notify and provide to its employees residing in or working in the State of California, a fact sheet regarding the Safely Surrendered Baby Law, its

Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. County's Department of Children and Family Services will supply Contractor with the poster to be used.

51.0 WAIVER

Failure of County to enforce at any time, or from time to time, any provision of the Agreement shall not be construed as a waiver thereof. The rights and remedies set forth in the Agreement shall not be exclusive and are in addition to any other rights and remedies provided at law or in equity, or under the Agreement.

52.0 GOVERNING LAW, JURISDICTION, AND VENUE

The Agreement shall be governed by, and construed in accordance with, the substantive and procedural laws of the State of California applicable to contracts made and to be performed within that state. STATEMENT OF WORK

JAIL IN-REACH SERVICES FOR HOMELESS INMATES

1.0 INTRODUCTION

1.1 Purpose

The Los Angeles County Sheriff's Department (Sheriff's Department) would like to enter into an Agreement with a qualified contractor ("Contractor") to provide comprehensive case management services for homeless inmates in the Los Angeles County jail over a two year period. The services provided will also help create a model program for re-entry services for homeless inmates that can be sustained and expanded after the two year period has ended.

1.2 Background

It is the goal of the Sheriff's Department to improve discharge planning for homeless inmates to reduce homelessness and recidivism. The goal is also to prevent, as much as possible, the occurrence of homeless inmates leaving the jail and ending up on Skid Row in downtown Los Angeles.

A large majority of homeless inmates end up in County jail on minor crimes, at great taxpayer expense, taking up valuable jail space and providing no benefit to the homeless person or society in general.

A number of efforts are underway to address this enormous problem. The Board of Supervisors of the Los Angeles County (the Board) has funded a project to staff the jails with Department of Public Social Services (DPSS) workers to render assistance to homeless inmates. Homeless inmates now have the opportunity to be pre-screened for benefits while in jail and to receive actual General Relief ("GR"), CalWorks and Food Stamp benefits upon release. In addition, homeless inmates are eligible to receive benefits under another DPSS program, which provides up to \$436 to landlords for rental assistance. The Board also provided funding for stabilization centers, which will, among other services, provide short term housing linked to services for inmates coming out of jail.

Recognizing that much more must be done on this issue, the Board also has provided the Sheriff's Department a \$1.5 million grant to provide jail in-reach services to homeless inmates. In the Jail "In-Reach" approach, prior to the release, trained personnel will: (1) properly assess inmates; (2) create a case plan; (3) establish a relationship with inmates to build trust and get them to buy-in

to the case plan; (4) and then follow through with case management with the goal of transitioning the inmates into a stable, crime free and self-sufficient lifestyle. With these additional and crucial steps of starting the process while the inmate is in jail, preparing the inmate for release, and then meeting the inmate at release, the chances of success in jail discharge planning efforts will be significantly improved.

The Community Transition Unit (CTU) of the Sheriff's Department is tasked with, among other missions, assisting inmates in successful integration into the community. There are 18 Custody Assistants in the CTU providing transition services to tens of thousands of inmates, most of whom cycle through the jails within 11 to 40 days. Approximately 1,800 to 2,600 of those inmates per month self-identify as homeless. Thus, the unit does not have the staff to fully assess the inmate, create a case plan, and then stay with the inmate when they leave the jail. In addition, the CTU is funded by Inmate Welfare Funds, which restricts its use to services to inmates inside the jail. The CTU thus is not able to directly provide services after the inmates leave the jail. Instead, the CTU is dependent on outside services. As a result, many inmates are not linked up to services in a manner that would create a high likelihood of obtaining permanent housing and avoiding recidivism.

The CTU is the manager of this contract and its staff will work closely with the Contractor to navigate the logistics of the jail setting and provide comprehensive and effective services to the inmates. The funding of the Project from the Board will be used to create a model for how to conduct re-entry services for homeless inmates, with the goal of continuing and expanding the program after the contract term. The CTU will also work with the Contractor to leverage its existing resources – for example its relationship with DPSS and other service providers — to increase opportunities for its inmates.

2.0 SCOPE OF SERVICES

Under this Agreement, Contractor shall provide comprehensive case management services to inmates housed in the Los Angeles County jail. These services will include a thorough in-custody assessment of targeted inmates when they arrive in jail, creation of a case plan while in jail, and then seamless transition into out-of-custody case management when the inmates leave jail. Case management will match the individual needs of each inmate, and involve the areas of employment, housing, life skills and drug and alcohol rehabilitation. Transportation from jail to housing must be provided. The Contractor will be responsible for tracking outcomes and providing regular reporting to the Sheriff's Department. The Contractor will also be required to submit a Final Report at the end of the Contract Term with recommendations on the way to proceed in the future.

2.1 Target Population

The Program is dedicated to assisting homeless individuals - or those who are at a very high risk of homelessness -- re-entering society upon release from County jail during the term of the contract. Best efforts should be made to focus on homeless inmates who cycle in and out of the jail frequently, for example who have been in jail 3 times within three years, and inmates who have been homeless on numerous occasions, for example who have stayed in shelters or lived on the street 3 times within the last 5 years. At least 25% of those served should meet the definition of chronic homelessness, as defined by the US Department of Housing and Urban Development (HUD). While the Contractor may need to link inmates to mental health services, this project is not designed to serve inmates with severe mental illness. Inmates with Axis 1 diagnoses are referred by the CTU to the Department of Mental Health's discharge planning unit and this practice will continue under this project. Under this project, if the Contractor assesses an inmate with a severe mental illness, the Contractor will consult with the CTU to determine whether the inmate should be enrolled with the Contractor or should be referred to the Department of Mental Health.

2.2 Partnering With CTU

Contractor's staff shall work directly with CTU staff, and collaborate so that all case managers provide services in a consistent and coordinated manner. Contractor's staff shall perform work duties at a desk in the CTU office and shall provide CTU staff with access to Contractor's case files and data. Contractor's staff shall use the same assessment and case management tools as CTU staff upon request with an advance notice of at least sixty (60) days, and, upon its implementation, shall utilize CTU's web-based case management system through which case managers for CTU and Contractor shall share assessments, case

plans and case notes. Contractor's staff shall engage in joint training with CTU where available and required by CTU.

2.3 Transportation

Contractor shall ensure that all inmates on its case load have appropriate transportation from jail to their housing location upon release from jail, as further explained in Subparagraph 3.7 below.

2.4 Hours Of Operation

Inmates are released from jail 24 hours per day. Contractor shall provide adequate staffing to service the needs of inmates, whether the inmates are released during or after regular business hours.

2.5 Termination of Case Management Services

For cause, ex-inmates may be dismissed or discharged from the In-Reach case management services. Contractor shall provide written notification, which will include a detailed explanation, to LASD prior to such termination, unless emergency circumstances dictate otherwise.

3.0 PERFORMANCE MEASURES

The services provided shall include, but shall not be limited to:

3.1 Timely Jail In-Reach

Contractor shall be provided with names of homeless inmates by the Sheriff's Department. As soon as practicable, and at a minimum within 24 hours after an inmate's name and housing location are provided to the Contractor, Contractor shall enter the jail and begin the assessment and case management process with a face to face interview with the inmate.

3.2 Comprehensive Assessment

Contractor shall complete a comprehensive needs assessment of each inmate being referred to within 24 hours from the face-to-face interview with the inmate. This includes conducting a comprehensive assessment of the inmate with a validated written assessment tool to determine the underlying causes of homelessness and what specific, individualized needs must be met to transition the client out of homelessness. The Contractor's case workers shall have been trained in motivational interviewing or have similar training that ensures quality interviewing of the inmates. The Contractor must be willing to be trained on and use an assessment tool chosen by the Sheriff's Department if asked to do so.

3.3 Comprehensive Case Management

Contractor shall provide comprehensive case management for each inmate it enrolls into its program. This includes, but is not limited to:

- 3.3.1 Creating a written case plan within a week from completing the needs assessment, that maps out how the underlying causes of homelessness which were identified in the needs assessment -- will be addressed;
- 3.3.2 Maintaining case notes that demonstrate how the case manager followed through with the case plan, how and why decisions were made, and what the final outcome was for the inmate. The written case management tool must be approved in advance by the Sheriff's Department and the Contractor must be willing to be trained on and use a case management tool chosen by the Sheriff's Department if asked to do so;

3.3.3 Providing necessary services to the inmate to successfully complete the case plan and/or linking the inmate to those services, and following through to ensure that the linkage was successful. This must include a goal of obtaining permanent housing, and the needed services to enable the homeless person to stay in permanent housing - in other words services that are limited in duration and transform the client into a self-sufficient person or that are ongoing and allow the client to live a stable, productive life. Such services include, but are not limited to, short term housing, mental health services, life skills, support in finding employment, drug rehabilitation services, assistance in accessing public benefits, healthcare, Emergency shelters, for purposes of reunification and education. this RFP, are not considered "short term" housing and should only be used as a last resort. The client's case manager should have a face to face meeting with the client within 24 hours after the client has exited the jail.

3.4 Numeric Goals

The Contractors is expected to enroll and case manage at least 400 inmates over two years and place at least 70% of those inmates into housing. 40% (112) of those placed into housing will be placed into permanent housing. The numeric goals shall be reviewed every three months. CTU shall also review the process and assess if these goals will need to be adjusted, and any adjustments on numeric goals, subject to the agreement of the Contractor, shall be memorialized in writing.

3.5 Report on Tracking Data And Outcomes

Contractor shall provide LASD a written report tracking data related to this project in electronic form and a report on outcomes every month. The data will be developed in cooperation with the Sheriff's Department, and shall include: race; gender; age; type of crime and whether it is violent or non-violent; area that the homeless person resided in prior to incarceration; and number of times incarcerated. Outcomes shall also be developed in cooperation with the Department upon award of the RFP, but shall include: number of inmates interviewed and assessed; number of inmates enrolled onto case load; number of inmates not accepted onto case load and reasons for not accepting them; the specific services and linkages provided to inmate; follow up assessment scores; inmates who obtained permanent or short-term housing and for how long; and inmates who returned to jail.

Contractor shall use its best efforts to track the progress of each inmate during the course of the contract, for up to 2 years. The follow up may be done by

contacting the ex-inmate each month after the case plan is completed. Telephone or in-person contact may satisfy the required contact with the eximmate. Upon development of an agreed upon form, the Contractor shall, each month, inquire with the ex-inmate about their current living, employment, or other status since completing the funded direct services. The results of these contacts will be reported to LASD each month.

3.6. Review and Evaluation Procedure

The Contractor shall meet with the County Project Director and/or County Project Manager every week for case reviews. Case files may be pulled and reviewed at random at the discretion of the County Project Director and/or County Project Manager. In cooperation with the Sheriff's Department, the Contractor shall also establish and have available for review a procedure for continuous quality management as well as an evaluation component to determine the effectiveness of the services for individual participant ex-inmate.

3.7 Transportation

Contractor shall ensure that each client exiting the jail has transportation that picks up the client from the jail and transports the client directly to his or her housing location. This may include arranging for a ride by family members; using one of the Contractor's vehicles and staff to pick up the client; or providing a ride by taxi. Contractor shall pick up the client from the jail, and the Contractor should submit in its proposal a plan to provide such service.

3.8 Evaluation of the Program and Submission of the Final Report

Beginning the fifteenth (15th) month after the commencement of the contract, Contractor shall meet with CTU to create a plan for preparing a final report on the performance of the program. The report shall be due to CTU four months later. The details of the report shall be determined in the initial meeting, but shall at least include: (1) A detailed report on the characteristics of the inmates served; (2) a cumulative and detailed report on the outcomes achieved by each inmate 6 months after case management services ended and one year after case management services ended (where available); (3) in partnership with CTU, a report on the outcomes achieved by each inmate who was assessed but not enrolled in the program, as a comparison group; (4) a narrative describing what transpired during the program, the program's strengths and weaknesses, and any key needs identified; and (5) any recommendation to LASD and the Board of Supervisors for maintaining and strengthening its services to homeless inmates in the jail. The report shall be updated during the 24th month of the contract.

EXHIBIT F

CONTRACTOR'S OBLIGATIONS UNDER THE FEDERAL

HEALTH INSURANCE PORTABILITY

AND ACCOUNTABILITY ACT

(HIPAA)

Exhibit F

EXHIBIT F

CONTRACTOR'S OBLIGATIONS UNDER THE FEDERAL HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT (HIPAA)

Under this Agreement, Contractor provides services ("Services") to County and Contractor receives, has access to, or creates Protected Health Information in order to provide those Services. County is subject to the Administrative Simplification requirements of the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and regulations promulgated thereunder, including the Standards for Privacy of Individually Identifiable Health Information ("the Privacy Regulations") and the Health Insurance Reform: Security Standards ("the Security Regulations") at 45 Code of Federal Regulations Parts 160 and 164 ("together, the "Privacy and Security Regulations").

The Privacy and Security Regulations require County to enter into a contract with Contractor in order to mandate certain protections for the privacy and security of Protected Health Information, and those Regulations prohibit the disclosure to or use of Protected Health Information by Contractor if such a contract is not in place.

Therefore, the parties agree as follows:

1.0 DEFINITIONS

- 1.1 "<u>Disclose</u>" and "<u>Disclosure</u>" means, with respect to Protected Health Information, the release, transfer, provision of access to, or divulging in any other manner of Protected Health Information outside Contractor's internal operations or to other than its employees.
- 1.2 "Electronic Media" has the same meaning as the term "electronic media" in 45 C.F.R. § 160.103. Electronic Media means (1) Electronic storage media including memory devices in computers (hard drives) and any removable/transportable digital memory medium, such as magnetic tape or disk, optical disk, or digital memory card; or (2) Transmission media used to exchange information already in electronic storage media. Transmission media include, for example, the internet (wide-open), extranet (using internet technology to link a business with information accessible only to collaborating parties), leased lines, dial-up lines, private networks, and the physical movement of removable/transportable electronic storage media. Certain transmissions, including of paper, via facsimile, and of voice, via telephone, are not considered to be transmissions via electronic media, because the information being exchanged did not exist in electronic form before the transmission.
- 1.3 "<u>Electronic Protected Health Information</u>" has the same meaning as the term "electronic protected health information" in 45 C.F.R. § 160.103. Electronic Protected Health Information means Protected Health Information that is (i) transmitted by electronic media; (ii) maintained in electronic media.

- 1.4 "Individual" means the person who is the subject of Protected Health Information, and shall include a person who qualifies as a personal representative in accordance with 45 C.F.R. § 164.502(g).
- 1.5 "Protected Health Information" has the same meaning as the term "protected health information" in 45 C.F.R. § 164.503, limited to the information created or received by Contractor from or on behalf of County. Protected Health Information includes information, whether oral or recorded in any form or medium, that (i) relates to the past, present, or future physical or mental health or condition of an Individual; the provision of health care to an Individual, or the past, present or future payment for the provision of health care to an Individual; (ii) identifies the Individual (or for which there is a reasonable basis for believing that the information can be used to identify the Individual); and (iii) is received by Contractor from or on behalf of County, or is created by Contractor, or is made accessible to Contractor by County. "Protected Health Information" includes Electronic Health Information.
- 1.6 "Required By Law" means a mandate contained in law that compels an entity to make a Use or Disclosure of Protected Health Information and that is enforceable in a court of law. Required by law includes, but is not limited to, court orders and court-ordered warrants; subpoenas or summons issued by a court, grand jury, a governmental or tribal inspector general, or any administrative body authorized to require the production of information; a civil or an authorized investigative demand; Medicare conditions of participation with respect to health care providers participating in the program; and statutes or regulations that require the production of information, including statutes or regulations that require such information if payment is sought under a government program providing benefits.
- 1.7 "Security Incident" means the attempted or successful unauthorized access, Use, Disclosure, modification, or destruction of information in, or interference with system operations of, an Information System which contains Electronic Protected Health Information. However, Security Incident does not include attempts to access an Information System when those attempts are not reasonably considered by Contractor to constitute an actual threat to the Information System.
- 1.8 "Services" has the same meaning as in the body of this Agreement.
- 1.9 "<u>Use</u>" or "<u>Uses</u>" mean, with respect to Protected Health Information, the sharing, employment, application, utilization, examination or analysis of such Information within Contractor's internal operations.
- 1.10 Terms used, but not otherwise defined, in this Paragraph shall have the same meaning as those terms in the HIPAA Regulations.

2.0 OBLIGATIONS OF CONTRACTOR

- 2.1 Permitted Uses and Disclosures of Protected Health Information. Contractor:
- (a) shall Use and Disclose Protected Health Information as necessary to perform the Services, and as provided in Sub-sections 2.3, 2.4, 2.5, 2.6, 2.7, 2.8, 4.3 and 5.2 of this Agreement;
- (b) shall Disclose Protected Health Information to County upon request;
- (c) may, as necessary for the proper management and administration of its business or to carry out its legal responsibilities:
- (i) Use Protected Health Information; and
- (ii) Disclose Protected Health Information if the Disclosure is Required by Law.

Contractor shall not Use or Disclose Protected Health Information for any other purpose.

Adequate Safeguards for Protected Health Information. Contractor:

- (a) shall implement and maintain appropriate safeguards to prevent the Use or Disclosure of Protected Health Information in any manner other than as permitted by this Paragraph. Contractor agrees to limit the Use and Disclosure of Protected Health Information to the minimum necessary in accordance with the Privacy Regulation's minimum necessary standard.
- (b) effective as of April 20, 2005, specifically as to Electronic Health Information, shall implement and maintain administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of Electronic Protected Health Information.

Reporting Non-Permitted Use or Disclosure and Security Incidents. Contractor shall report to County each Non-Permitted Use or Disclosure that is made by Contractor, its employees, representatives, agents or subcontractors, but is not specifically permitted by this Agreement, and effective as of April 20, 2005, shall report to County each Security Incident of which Contractor becomes aware. The initial report shall be made by telephone call to the County's HIPAA Privacy Officer within forty-eight (48) hours from the time the Contractor becomes aware of the Non-Permitted Use or Disclosure or Security Incident, followed by a full written report no later than ten (10) business days from the date the Contractor becomes aware of the non-permitted Use or Disclosure or Security Incident to the Chief Privacy Officer at:

Chief HIPAA Privacy Officer, County of Los Angeles Kenneth Hahn Hall of Administration 500 West Temple St. Suite 410 Los Angeles, CA 90012 (213) 974-2164

Mitigation of Harmful Effect. Contractor agrees to mitigate, to the extent practicable, any harmful effect that is known to Contractor of a Use or Disclosure of Protected Health Information by Contractor in violation of the requirements of this Paragraph.

- 2.5. Availability of Internal Practices, Books and Records to Government Agencies. Contractor agrees to make its internal practices, books and records relating to the Use and Disclosure of Protected Health Information available to the Secretary of the federal Department of Health and Human Services for purposes of determining County's compliance with the Privacy and Security Regulations. Contractor shall immediately notify County of any requests made by the Secretary and provide County with copies of any documents produced in response to such request.
- 2.6 Access to Protected Health Information. Contractor shall, to the extent County determines that any Protected Health Information constitutes a "designated record set" as defined by 45 C.F.R. § 164.501, make the Protected Health Information specified by County available to the Individual(s) identified by County as being entitled to access and copy that Protected Health Information. Contractor shall provide such access for inspection of that Protected Health Information within two (2) business days after receipt of request from County. Contractor shall provide copies of that Protected Health Information within five (5) business days after receipt of request from County.
- 2.7 <u>Amendment of Protected Health Information</u>. Contractor shall, to the extent County determines that any Protected Health Information constitutes a "designated record set" as defined by 45 C.F.R. § 164.501, make any amendments to Protected Health Information that are requested by County. Contractor shall make such amendment within ten (10) business days after receipt of request from County in order for County to meet the requirements under 45 C.F.R. § 164.526.
- 2.8 Accounting of Disclosures. Contractor agrees to maintain documentation of the information required to provide an accounting of Disclosures of Protected Health Information in accordance with 45 C.F.R. § 164.528, and to make this information available to County upon County's request, in order to allow County to respond to an Individual's request for accounting of disclosures. However, Contractor is not required to provide an accounting of Disclosures that are necessary to perform its Services if such Disclosures are for either payment or health care operations purposes, or both. Additionally, such accounting is limited to disclosures that were made in the six (6) years prior to the request (not including disclosures that were made prior to the compliance date of the Privacy Rule, April 14, 2003) and shall be provided for as long as Contractor maintains the Protected Health Information.

Any accounting provided by Contractor under this Section 2.8 shall include: (a) the date of the Disclosure; (b) the name, and address if known, of the entity or person who received

the Protected Health Information; (c) a brief description of the Protected Health Information disclosed; and (d) a brief statement of the purpose of the Disclosure. For each Disclosure that could require an accounting under this Sub-section 2.8, Contractor shall document the information specified in (a) through (d), above, and shall securely maintain the information for six (6) years from the date of the Disclosure. Contractor shall provide to County, within ten (10) business days after receipt of request from County, information collected in accordance with this Sub-section 2.8 to permit County to respond to a request by an Individual for an accounting of disclosures of Protected Health Information in accordance with 45 C.F.R. § 164.528.

3.0 OBLIGATION OF COUNTY

3.1 <u>Obligation of County</u>. County shall notify Contractor of any current or future restrictions or limitations on the use of Protected Health Information that would affect Contractor's performance of the Services, and Contractor shall thereafter restrict or limit its own uses and disclosures accordingly.

4.0 TERM AND TERMINATION

- 4.1 <u>Term.</u> The term of this Paragraph shall be the same as the term of this Agreement. Contractor's obligations under Sections 2.1 (as modified by Section 4.2), 2.3, 2.4, 2.5, 2.6, 2.7, 2.8, 4.3 and 5.2 shall survive the termination or expiration of this Agreement.
- 4.2 <u>Termination for Cause</u>. In addition to and notwithstanding the termination provisions set forth in this Agreement, upon County's knowledge of a material breach by Contractor, County shall either:
- (a) Provide an opportunity for Contractor to cure the breach or end the violation, and terminate this Agreement if Contractor does not cure the breach or end the violation within the time specified by County; or
- (b) Immediately terminate this Agreement if Contractor has breached a material term of this Paragraph and cure is not possible; or
- (c) If neither termination or cure are feasible, County shall report the violation to the Secretary of the federal Department of Health and Human Services.

4.3 <u>Disposition of Protected Health Information Upon Termination or Expiration</u>

Except as provided in paragraph (b) of this section, upon termination for any reason or expiration of this Agreement, Contractor shall return or destroy all Protected Health Information received from Covered Entity, or

created or received by Contractor on behalf of County. This provision shall apply to Protected Health Information that is in the possession of subcontractors or agents of Contractor. Contractor shall retain no copies of the Protected Health Information.

(b) In the event that Contractor determines that returning or destroying the Protected Health Information is infeasible, Contractor shall provide to County notification of the conditions that make it infeasible. If return or destruction is infeasible, Contractor shall extend the protections of this Agreement to such Protected Health Information and limit further Uses and Disclosures of such Protected Health Information to those purposes that make the return or destruction infeasible, for so long as Contractor maintains such Protected Health Information.

5.0 MISCELLANEOUS

- 5.1 <u>No Third Party Beneficiaries</u>. Nothing in this Paragraph shall confer upon any person other than the parties and their respective successors or assigns, any rights, remedies, obligations, or liabilities whatsoever.
- 5.2 <u>Use of Subcontractors and Agents</u>. Contractor shall require each of its agents and subcontractors that receive Protected Health Information from Contractor, or create Protected Health Information for Contractor, on behalf of County, to execute a written agreement obligating the agent or subcontractor to comply with all the terms of this Agreement.
- 5.3 <u>Relationship to Agreement Provisions</u>. In the event that a provision of this Paragraph is contrary to any other provision of this Agreement, the provision of this Paragraph shall control. Otherwise, this Paragraph shall be construed under, and in accordance, with the terms of the Agreement.
- 5.4 <u>Regulatory References</u>. A reference in this Paragraph to a section in the Privacy or Security Regulations means the section as in effect or as amended.
- 5.5 <u>Interpretation</u>. Any ambiguity in this Paragraph shall be resolved in favor of a meaning that permits County to comply with the Privacy and Security Regulations.
- 5.6 <u>Amendment</u>. The parties agree to take such action as is necessary to amend this Paragraph from time to time as is necessary for County to comply with the requirements of the Privacy and Security Regulations.
